

Australian *Flexible Learning* Framework

supporting e-learning opportunities

AUSTRALIA

TVET Australia & Toolboxes

What is a Toolbox?

Flexible Learning Toolboxes (Toolboxes) are high quality, cost effective e-learning products that are provided on CD-ROM and can be installed on a server or used on a stand-alone computer.

Toolboxes are a product of the national training system's e-learning strategy, the Australian Flexible Learning Framework. They are developed by education specialists in close consultation with industry professionals and are aligned to nationally endorsed training packages.

Want to preview a Toolbox?

To preview one of the available 90 Toolboxes, which cost approximately \$400 and cover a diverse range of educational and industry areas visit:
